

Sale Name: LATE SPRING FARM & HEAVY EQUIPMENT AUCTION

LOT 9 - INTERNET CONNECTION

Description

Our new software is cloud based. All bidding is online with your personal device. Bidding online will require an active and stable connection to the Internet in order to function correctly.

It is therefore your responsibility to ensure that you have at all times an active and stable Internet connection. Our website is monitored for best and successful bidding.

Pickett Auction Service is not responsible for internet connection resulting in loss of bids.

Quantity: 1
