

Sale Name: END OF YEAR FARM & HEAVY EQUIPMENT AUCTION

LOT 14 - HAND LOADING NOTICE

Description

Flatbed trailers are recommended for best loading

Most of our auction items are managed with load out equipment and loading Enclosed Trailers (Cargo - Horse Trailers) make the loading process difficult.

Due to the volume of customers we load, **hand loading is not guaranteed** and you may be asked to return with a different trailer if we cannot assist you.

If you bring an enclosed trailer during load out, please plan to bring help with you.

Quantity: 1
