

**Sale Name:** EARLY SPRING FARM & HEAVY EQUIPMENT AUCTION

**LOT 12 - VEHICLE TITLES**

**Description**

We are operating with a dealership license, which translates to more paperwork for the DMV.

The vehicles are PRE-OWNED and "AS IS" which means no dealership warranty provided. We do request sellers to make a "seller statement" that would be listed in the description, and we try to note obvious conditions in the description.

We are only able to accept vehicles with titles. If for some reason you do not have a title, we cannot sell it for you legally. There are some exceptions, however.

1. If you are from a State that does not require that type of vehicle to be titled.  
EX: Oregon does not require ATVs to have a title
2. Some boats were not titled prior to 1999
3. Some trailers based on weight are not titled.
4. Best to contact the office if you still are in question. 208-455-1419

Sales in Idaho are taxed—if you are purchasing out of state, tax exempt forms are available here. If you are a dealer we can review the tax-exempt options.

Here are the rules for titling.

1. Fees added to the invoice: (per vehicle) Doc fee \$50 Title fee: \$21 Tax on Doc Fee: \$3.00 \$Bid Price is taxed 6% (bid price is bid + buyers prem.)
2. The bidding name must be the purchaser for the title. You may have additional names on the title form, but they must be present for signing the 502 DMV forms. Do not bid (purchase) for someone else expecting the title to be in their name. The bidder is the buyer and title holder. Friends and relatives keep this in mind.
3. When you pay your invoice and plan to pick up the item-- we do the 502 DMV form in our office at that time. Come prepared with your Driver's License and/or Tax ID # for businesses. We will prepare the documents, and you will be given paperwork to travel with. The DMV will send the title to you in your name at the address you supply.
4. Normally document signing can take some extra time so plan accordingly.
5. Bidders that will only receive a "BILL OF SALE" -- it can be provided at pick up or mailed within 10 days.
6. Each item that would be receiving a title or BILL OF SALE—A NOTE is in the description letting you know this before bidding. It will also NOTE any title brand status, if any. NOTE:

"Report of Sale & Application for Certificate of Title" will be processed at our office at the time of delivery.

**THE BIDDING ACCOUNT NAME WILL BE THE NAME ON THE TITLE**

Quantity: 1
