Seller states:

This 2006 Sterling L8500 grapple truck is a high-capacity, work-ready unit designed to handle demanding hauling and debris operations with efficiency. Equipped with a Heiden waste grapple and a Serco 8500 crane, it offers exceptional capability for storm cleanup, land clearing, and heavy material handling. The setup includes a 63-yard truck body and a custom 50-yard dump trailer, providing an impressive combined capacity of 113 yards. Powered by a 12.8L MBE4000 engine producing 450 horsepower, this truck delivers strong and reliable performance. Recent updates include new joysticks on the crane, a new hydraulic pump, and new batteries, with hydraulics operating clean and leak-free. The unit is DOT certified, features functional AC, and has tires at 50% or better, making it ready to go straight to work.
